

INITIATIVE: Claude's Coaching Tool Box
(Systems Thinking Models)
BIG IDEA: How can I teach Systems Thinking
in a fun, simple and creative way?

KEY LEARNING: -What you resist, persists... I Surrender to my Passion.
-Creativity needs an incubation period... I am Patient.
-Learning while sharing is fun... I create Abundance.
-Whatever happens is meant to be... I am Grateful.
-Mastery is in the important details... I am a Learner.
